"[The show] was a transformational theatre experience for my three daughters. I honestly couldn't be more grateful, and I know we couldn't find a program like Street Theatre's ClassAct Dramatics anywhere in the country." ~Parent of STC ClassAct students

"Thank you for nurturing young talent by allowing kids to take part in the creation of high-quality productions, and for helping the community provide opportunities like this for children at a time when there are so many other distracting, and even dangerous activities vying for their attention."

~Parent of STC youth performer
